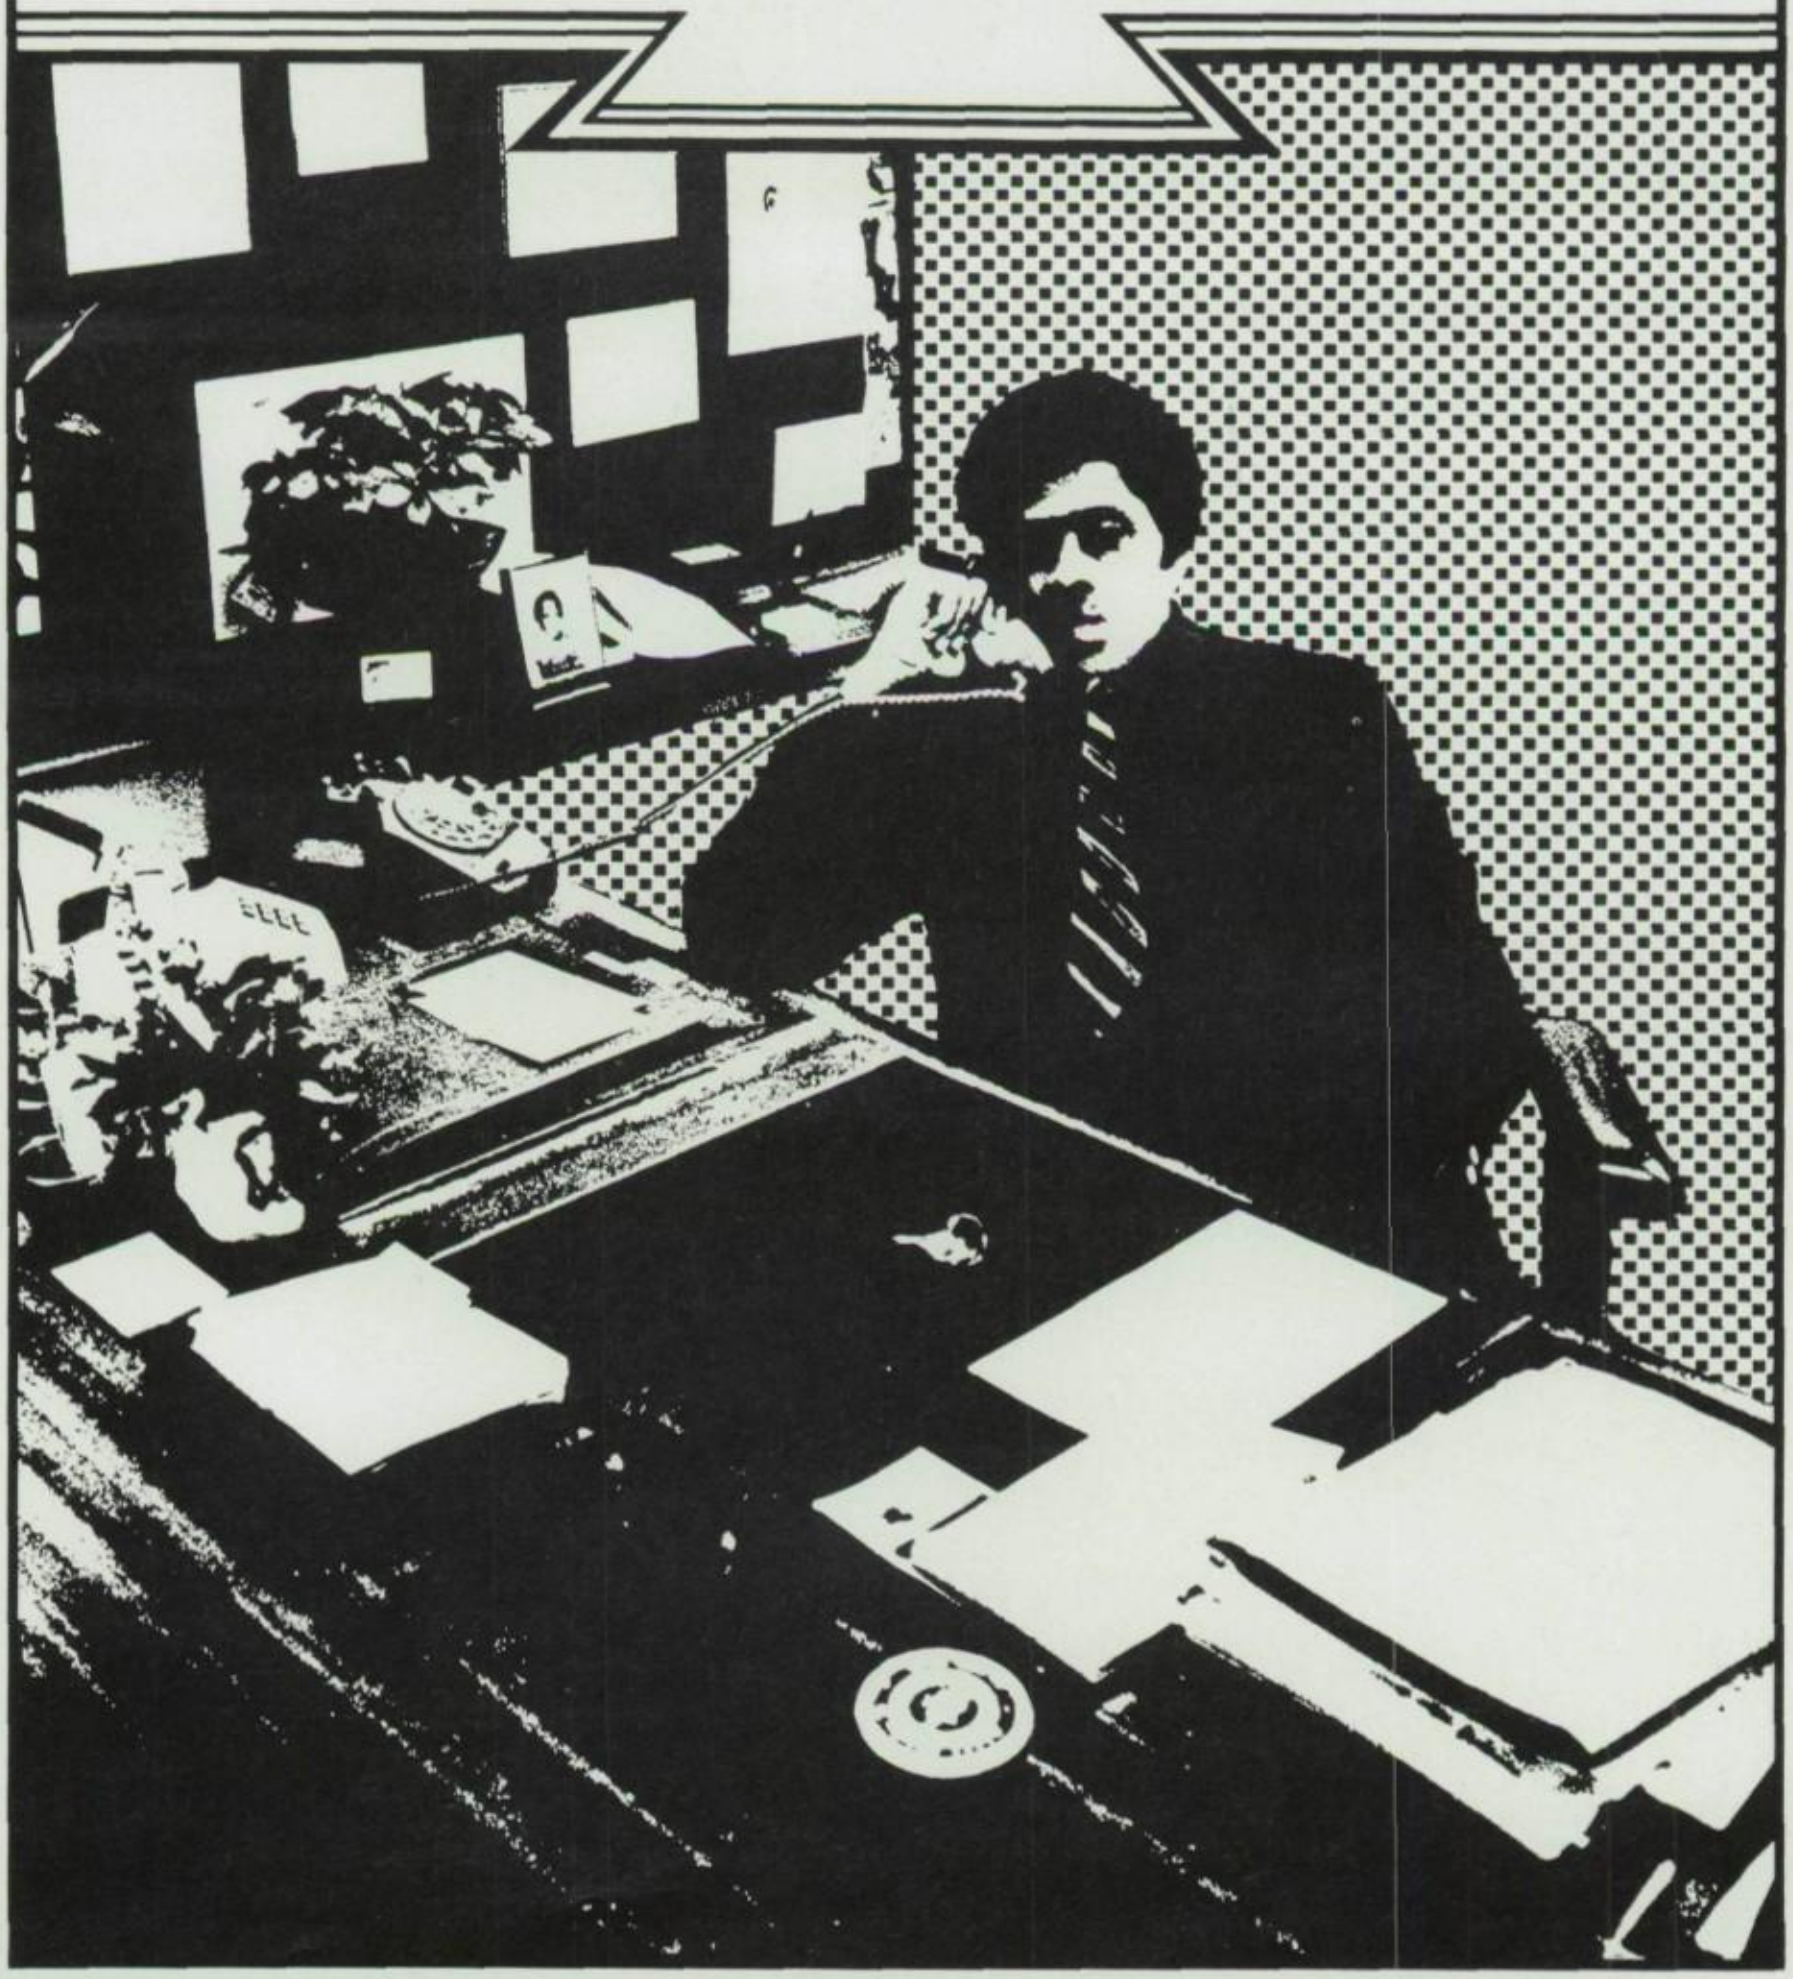
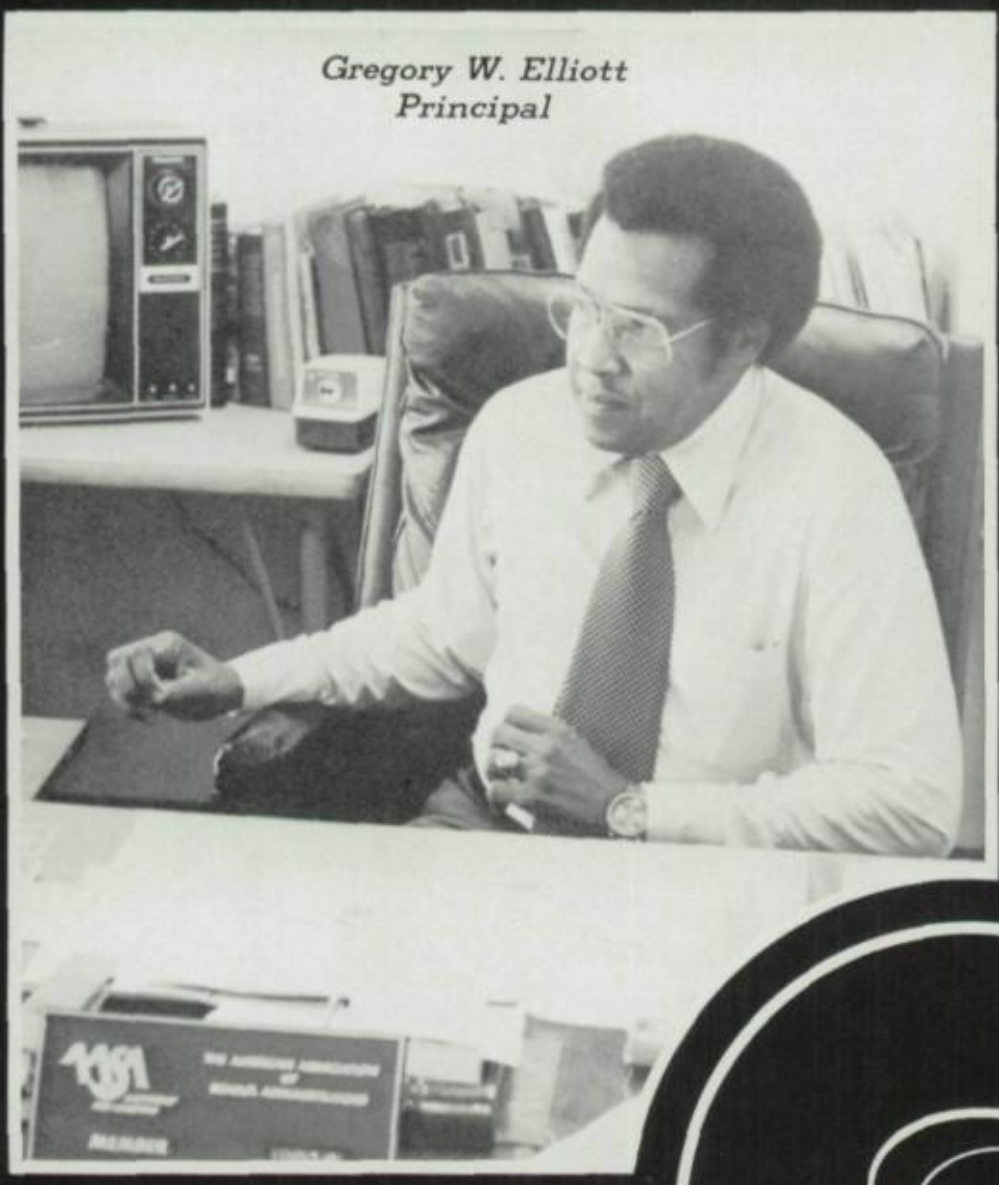
ADMINISTRATION



ADMINISTRATORS GEARING UP . . .



Gregory W. Elliott
Principal

Mr. Gregory Elliott has been principal for seven years. He says that if he didn't enjoy working here, he would find something else to do. He feels parents who are concerned about the progress and achievements of their children foster similar feelings in their children as students. Mr. Elliott hopes to see more diversified high school programs offered to students in the future.

Mr. Suddarth has been Assistant Principle for seven years. He really enjoys South and its students. He feels this year's Homecoming was the best he has ever seen.

Mr. Suddarth also has keen interest in both the student government and athletic programs. He feels South has made many positive changes in recent years, and hopes to see more of the same in the future.

The defense did well almost every occasion allowing an average of only 8.4 points per game for the season.

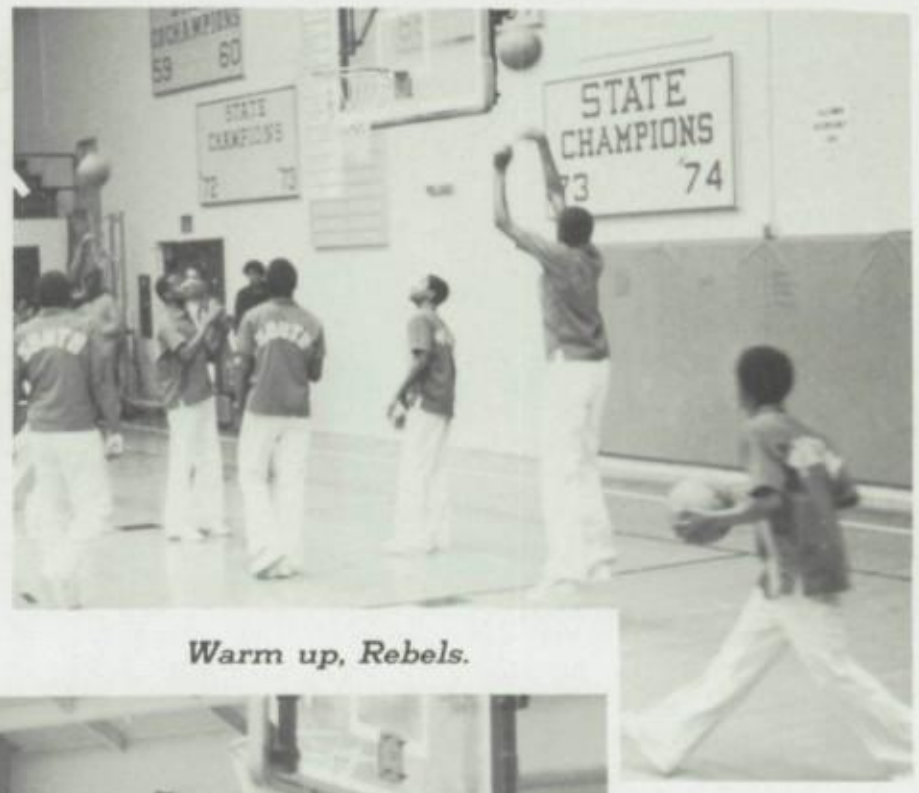
Rebs, get that rebound.
Jump Ball.



Warm up, Rebels.

FRESHMAN BASKETBALL

Coach Taylor's talented Freshmen squad for 80-81 had a record of 8-0 at mid year; the remaining games were cancelled because the students did not attain minimum academic goals (a grade of 3 or higher in each class) required by Varsity Coach, Don Petroff.

Coach Petroff feels that extra-curricular activities like basketball are important and helpful to the well-rounded development of a student. However, it is in the academic arena that most students realistically prepare themselves for the world of work. Mr. Petroff states his concern for the stereotyped minority athlete: "It is fine to strive to attain the career goal of N.B.A. player, but it is equally important to have alternate plan # 2 (proper academic preparation for the traditional world of work) to fall back on!"

Budgitte R. Davis

Here we are Class of '81. Four years as SMHS Rebels and we're finally ready for the world, or shall I say, the world is finally ready for us. Whatever the case may be, watch out world, cause "We're coming out!"

Karla M. Doring

My years at South were filled with first experiences, most of them being in my senior year. I will never forget South or the people I've met here. Good Luck to all of the Class of 1981.

Mitzi Jackson Greene

We have attained a once sought goal, so people near and far will hear the sound of Victory, South Mountain's where we are! When we turn the pages back, joy of the times shines through, and makes us remember '81, a step towards something new.

Jo Anne Myatt

I was reminiscing about a few things: football, basketball, pom, clubs, etc. My feelings about South are largely ambivalent because I think this school could be better in many ways. However, I have made some special friends, and I have some good memories. To the Class of '81 I wish love and happiness, but most of all, success to you. Reach for the sky and don't let anyone get in your way.

Judy A. Mendez

In the last four years I have experienced the thrill of victory and the agony of defeat (along with love, laughter, pain, and sorrow). These feelings are now only memories never to be experienced again. I thank you Class of '81 for times never to be forgotten. Bless you, the class of assorted nuts.

Life at S.M.H.S. has been H. E. L. L. (Hair-raising, Educational, Lively, Legendary). These have been four very unforgettable years. I hope all of the Class of '81 reach their potential goals.

Love, Aletha

Aletha C. Frazier

Seniors, you must strive to achieve a level of Excellence all of your life. The class of "81" is the first in it's league. We are # 1 because it's 81.

My years at S.M.H.S. have been fun, exciting, wild, crazy, cheerful and sensational. I have had # %& ¢ $! times and funky ones, too; but through all the frustration it's been fun particularly on Mondays when we have to see our teachers again for the umpteenth time. UGH! Teachers I really enjoyed are Dennis the Menace and Mr. Magoo. I didn't like Miss Beasley! Tilt! Love, WEAZY*

I have enjoyed every bit of my four years at South. Undergraduates achieve all that you can, while you can. Seniors look toward the future. It has been a pleasure being a student at S.M.H.S. Success, happiness and good luck, Graduating Class. We Are the ones, class of 81.

WEAZY

Lisa L. Evans

We're the one, the class of 81. I have enjoyed my four years at South very much: I have come to know and respect my fellow: inmates". I hope that the class of 81 strives for the best and each reaches his ultimate goal.

1980-81 YEARBOOK EDITOR

As time goes on every yearbook member runs around in a blind rage trying to complete his or her section of the book. Being a member of yearbook a rewarding experience; after you have finished your section you get to see the results of your hard work when the finished product comes back in May.

Many students (and teachers) don't know the time, effort, and pressure involved in preparing a yearbook. I would, however, like to give special thanks to those of you who do have some understanding of this project, and have given us any kind of aid or support.

Several students who are not members of yearbook class volunteered help on important weekends; my thanks to Aletha Frazier, Dedra Heard, and Samantha Perkins.

General thanks go to the members of my staff who put forth great effort to insure we finished a satisfactory book on time. Beth Murphy, Assistant Editor, and LuAnne Wyatt, Head Photographer, deserve special recognition for their fine work.—And Lastly.

I thank the yearbook sponsor, Mr. Charles Fritsche, for the hours of time he spent helping my staff and I build the book on weekdays and weekdays.

Editor
Lisa Evans 3/3/81

*Well, now that the book is finished I only have one thing to say, "It was pure # $%$ ¢ * # $% # ¢ &* ¢ %$ # #. Thank God it's over.*
